A Message From
Sheriff Jones

As young adults, you are at an important point in your lives. It is a time in which you will begin to not only realize your own potential, but also set goals for the future. For many of you that future will include a career in criminal justice or a related field. As a career law enforcement officer with over 28 years experience, I can tell you first hand that it is an exciting and rewarding vocation.

I encourage you to attend the Sheriff's Teen Academy Summer Camp. **You will be immersed into a high energy, fast-paced curriculum over the course of a week.** I know that you will find it challenging and a lot of fun. Hope to see you there!

Jimmy J. Jones
